OBJECTIVES

Seeking an opportunity to establish myself in the industry and flexible for an organization that can utilize my skills and abilities in the area of coding. I offer my candidature for the organization I work to be a part of its growth and achievement.

EDUCATION

Bachelor's Degree in Computer Science
Sullamussalam Science college Areekode
Under University of Calicut

EXPERIENCE

Technical Assistant

Worked As Technical assistant at INSPIRE ACADEMY

PROJECTS

Progress card pdf generator in python
automatically generates progress card/report of each student as pdf in an institution based on input excel file that contain student details and marks in each subject. Similar to **Mail merge** clone but my project generates separate pdf files for each student.
